

# Honest Offering / I Surrender All

CAIN

Tried to clean it up nice  
Tried to hold it all together  
I'm living rich in the world  
But a spiritual beggar  
And I been waitin' to give  
Till I can give You something better  
But You just wanted my heart

So here it is  
All of it  
Will You take it in this condition?  
Here I am  
Fully surrender

Jesus, You can have it all  
Jesus, You can have it all  
'Cause You love every broken piece  
Of an honest offering  
Jesus, You can have it all (Hey)

You can have it all

You turned pennies in my hands  
Into a heavenly treasure  
'Cause Your kingdom rules by a different measure  
And so I'm pouring out until I'm an empty vessel  
Lord, here's my heart

The joy and  
The sorrow  
Yesterday and tomorrow  
I let go  
Fully surrender

'Cause Jesus, You can have it all  
We give it to ya  
Jesus, You can have it all  
You love every broken piece  
Of an honest offering  
So, Jesus You can have it all  
Yeah, yeah

All to Jesus, I surrender  
All to You, I freely give (Hey)  
I will ever love and trust You  
In Your presence  
I daily live

All to Jesus, I surrender  
All to You, I freely give  
I will ever love and trust You  
In Your presence  
I daily live

Oh

(Jesus) Jesus, You can have it all

Jesus, You can have it all  
'Cause You love every broken piece  
Of an honest offering  
So Jesus, You can have it all

My Jesus, You can have it all

I surrender all  
Oh, come on surrender tonight  
Oh, I surrender all (All to thee)  
All to thee my blessed Savior  
I surrender all

Sing I surrender all  
C'mon here we go

I surrender all  
Our problems, our families  
Oh, I surrender all  
My dreams, my plans, give it all  
All to thee my blessed Savior  
I surrender all

Mmm  
We give it to You Lord  
Yeah
