

Jesus Music

CAIN

Do you need a God Of Wonders?
Amazing Grace?
Are looking for somebody who is Mighty To Save?
I found resurrection power
Wrapped in a song
Ah yeah
And 10,000 reasons that you should sing along
To that

Jesus music
Down in my soul
I got Jesus music
Turn up that Jesus music

Ah yeah

Now, I can only imagine
Where I'd end up
If it wasn't for Jesus and How He Loves (Yeah)
When the world gets too loud (Too loud)
Trying to steal my attention
I just drown it out
When I dive in and listen
To that

Jesus music
Down in my soul
I got Jesus music
Turn up the radio
And put the sound of freedom
In my ears
I'm gonna sing it
Till the whole world hears
That Jesus music
Yeah
Crank up that Jesus music

Now, the devil has been trying to put you through it
Imma tell ya that the only way I found to get through it
(Only love)
Come on, ya'll

The devil tried to put me through it
Thank God for Jesus music
Only way I'm getting through it
Is when I listen to it
The devil tried to put me through it
Thank God for Jesus music
Only way I'm getting through it
Is when I listen to it

I'm so blessed
I was raised on the songs
That show me Your glory
And lead me to the cross
Now I'm singing this song (Ooh)
In my own family band (Ooh)

Making the music
That made me who I am

Thank God for Jesus music, man
'Cause I don't know where I'd be without it
But it probably wouldn't be here

(Ooh)
Hey, if Jesus music changed your life
Go on and turn up this song and say
"Thank You, Lord!" (Aah)

For that Jesus music
Down in my soul
I got Jesus music
Turn up the radio
And put the sound of freedom
In my ears
Yeah
I'm gonna sing it
Till the whole world hears
That Jesus music
Thank You, Lord
For that Jesus music

Oh yeah
Oh yeah

Devil tried to put me through it
Thank God for Jesus music
Only way I'm getting through it
Is when I listen to it
Sing it
Devil tried to put me through it
Thank God for Jesus music
Only way I'm getting through it
Is when I listen to it
The devil tried to put me through it
Thank God for Jesus music
Only way I'm getting through it (Oh)
Is when I listen to it
Oh yeah yeah yeah
(Devil tried to put me through it)
Yeah yeah hey oh oh
(Thank God for Jesus music)
Yeah yeah
(Only way I'm getting through it)
Is when I listen to it

Ooh ooh
Ah, yeah
