

My Father In Me

CAIN

If I listen when I could speak
And if I love someone who hates me
When I drop the stones I wanna throw
And turn the other cheek
And I make the first apology
If I go without for someone in need
When I use my strength defending the weak
When I lose and choose to celebrate
You instead of me
Oh-oh-oh, it's no mystery

If there's anything true in my life
Anything right that makes
You start dreaming of a higher place
Any kindness I show
Any good thing can only be
You're just seeing my Father in me
Oh-oh-oh, oh-oh-oh
You're just seeing my Father in me

I know all the depths of my heart
I've seen all the ugly and dark
I could try to be a better me
And work to play the part
But I'll rest in my Father's arms

If there's anything true in my life
Anything right that makes
You start dreaming of a higher place
Any kindness I show
Any good thing can only be
You're just seeing my Father in me
Oh-oh-oh-oh, oh-oh-oh-oh
You're just seeing my Father in me

Seeing my Father in me (Any kindness I show)
Seeing my Father in me (Oh, there's one thing I know)
It's not me
It's not me

If there's anything true in my life
Anything right that makes
You start dreaming of a higher place
Any kindness I show
Any good thing can only be
You're just seeing my Father in me
Oh-oh-oh-oh, oh-oh-oh-oh
You're just seeing my Father in me
Oh-oh-oh-oh, oh-oh-oh-oh
You're just seeing my Father in me
