

# Over My Head

CAIN

Standing here in fear  
Of the unknown  
Tides won't ride inside  
My comfort zone

Stepping off the shore  
Heading for something more  
Time to take a leap of faith  
I'm in ankle deep  
Now I'm up to my knees  
Ready to get swept away

I'm in over my head  
But going down isn't going under  
I'm in over my head, yeah  
But I ain't gonna drown when I'm swimming in wonder  
I'm ready to see the mysteries  
Awaiting in deeper water  
I'm in over my head  
But going down isn't going under

Carry me, let's see  
Where we can go  
Take me in  
I'm giving You control

Diving into You  
Always something new  
Ready to get swept away

I'm in over my head  
But going down isn't going under  
I'm in over my head, yeah  
But I ain't gonna drown when I'm swimming in wonder, oh  
I'm ready to see the mysteries  
Awaiting in deeper water  
I'm in over my head  
But going down isn't going under

I'm in ankle deep  
Now I'm up to my knees  
Ready to get swept away

I'm in ankle deep  
Now I'm up to my knees  
I'm ready to get swept away!

I'm in over my head  
But going down isn't going under  
I'm in over my head, yeah  
But I ain't gonna drown when I'm swimming in wonder  
Oh, I'm ready to see the mysteries  
Awaiting in deeper water  
I'm in over my head (Oh)  
I'm in over my head, yeah
