

Trouble

CAIN

We don't wrestle against flesh and blood
But there's a battle all around us, and it's time to stand up
Jesus purchased the victory
But in this world, there will be trouble
And it's coming for me, if it's coming for me

I'm gonna be
Trouble, trouble, trouble, trouble
Trouble for the enemy
I'm gonna be
Trouble, trouble, trouble, trouble
Trouble I guarantee
'Cause the Son of Man, who conquered death
Is living inside of me
I'm gonna be
Trouble, trouble, trouble, trouble
Trouble for the enemy

I'm pulling down strongholds
I'm ruining schemes
Ruining schemes
I am trouble for the devil
When I'm on my knees

I'm gonna be trouble, trouble, trouble, trouble
Trouble for the enemy
I'm gonna be trouble, trouble, trouble, trouble
Trouble I guarantee
'Cause the Son of Man, who conquered death
Is living inside of me
I'm gonna be trouble, trouble, trouble, trouble
Trouble for the enemy

I don't fight how the devil fights
We carry a peace down deep inside
I have a joy in suffering
I speak the truth over everything
When the world wants anger, I give love
I shine a light, and the darkness runs
Don't mess with me
You best believe I know who I am
I'm trouble
Trouble, trouble, trouble, trouble
Trouble, trouble, trouble, trouble, trouble, trouble

Trouble, trouble, trouble, trouble
Trouble for the enemy
I'm gonna be trouble, trouble, trouble, trouble
Trouble I guarantee
'Cause the Son of Man, who conquered death
Is living inside of me
I'm gonna be trouble, trouble, trouble, trouble
Trouble for the enemy
