

Oh, I grew up with a bracelet
Wrapped around my wrist
Four letters to remind me
Who my example is
Well I know it went out of style
Somewhere around '03
That question's an old question
But it still needs answering

What would Jesus do
I'm trying to do it
What would Jesus do
Want my life to prove it
Wanna walk, wanna talk like Him
So I gotta keep asking it
What would Jesus do
What would Jesus do

When I open up the gospels
On every page I read
He healed, baptized and gave His life
To love the least of these
Now the only way to follow
Is to walk the narrow road
No it may not be easy
But I don't walk alone

What would Jesus do
I'm trying to do it
What would Jesus do
Want my life to prove it
Wanna walk, wanna talk like Him
So I gotta keep asking it
What would Jesus do
What would Jesus do

What would Jesus do
What would Jesus do
What would Jesus do
What would Jesus do

Jesus can You help me
I can't do it on my own
I just want to look more like You in the end
I know You'll give direction (Ooh)
When I ask the question (Ooh)
Again and again
Again and again

What would Jesus do
Go and tell 'em
Go and tell 'em
What would Jesus do
What would Jesus do

What would Jesus do
I'm trying to do it

What would Jesus do
Want my life to prove it
Wanna walk, wanna talk like Him
So I gotta keep asking it
What would Jesus do
What would Jesus do

What would Jesus do
What would Jesus do
What would Jesus do
What would Jesus do...
