

Fly Away

Caitlyn Smith

Don't wanna talk about it anymore, baby
Just say you love me and I'll shut the hell up
Let's burn it out until the smoke is all faded
Cure it all with a touch
I swear to Jesus you can set me on fire
And you still want me when I'm a little bit mean
You make me crazy with your Voodoo magic
And that's just what I need

Yeah, you save me from the skyscrapers and the cigarette smoke
Yeah, you take me to the open spaces where nobody goes

I fall apart and you put me back together
And I ain't afraid when I talk about forever with you
Baby, I get so high like an airplane
Take my hand, let's fly away
Oh, ooh, oh, ooh, oh
Take my hand, let's fly away

We bought a one-way ticket to the cold
And we cried a lot, then turn the radio on
And made a promise that we'd make it all better
Line by line, song by song

Yeah, you save me from the skyscrapers and the cigarette smoke
Yeah, you saved me, drove out to find me then you took my back home

Yeah, I fall apart and you put me back together
And I ain't afraid when I talk about forever with you
Baby, I get so high like an airplane
Take my hand, let's fly away
Oh, ooh, oh, ooh, oh
Oh, ooh, oh, ooh, oh
Oh, ooh, oh, ooh, oh
Take my hand, let's fly away

All for love, all for my love, all for my love
It was all for love, all for my love, all for my love

Yeah, I fall apart and you put me back together
And I ain't afraid when I talk about forever with you
Baby, I get so high like an airplane

When you walk in the room it's like a neon angel
Wearing blue jeans and a thousand halos
Baby, I get so high like an airplane
Take my hand, let's fly away
Oh, ooh, oh, ooh, oh
Oh, ooh, oh, ooh, oh
Oh, ooh, oh, ooh, oh
Take my hand, let's fly away
