

# Friendly Sex

Caity Baser

I don't think that we should have friendly sex, anymore  
'Cause I'm getting too comfy in your bed  
Oh Lord  
I don't think that we should have friendly sex, anymore  
I'm just gunna say that I've gotten bored  
Because it's easier!

You brought that girl out the other day  
And that's cool 'cause you can do what you want  
And I'm not your girl anyway  
And I don't wanna be, okay?  
It's not even that, I didn't get mad  
Maybe I did 'cause I left the party to go call my dad  
And then I kinda felt sad  
'Cause your lighter was still in my bag  
From that really fun night we had

Anyway I'm tryna say  
That I've gotten bored  
I've gotten so bored  
Of all of those late nights, those great times on your bedroom floor  
But what we doing this for?  
I've got a fucking coat on the back of your door  
And now your dog is actually liking me more  
Your shower's got all of my shampoo and conditioner  
But God forbid that I actually say that I'm missin' ya  
Anyway

I don't think that we should have friendly sex, anymore  
'Cause I'm getting too comfy in your bed  
Oh Lord  
I don't think that we should have friendly sex, anymore  
I'm just gunna say that I've gotten bored  
Because it's easier!

Friendly Sex  
Friendly Sex  
Friendly Sex  
I'm just gunna say that I've gotten bored  
Because it's easier!

This is getting too passionate for my liking  
'Cause we're not together  
But I'm still not your side ting  
I'll blame the boredom  
But this is exciting  
I'm really trying but I suck at hiding  
The fact that you're in my head  
And my bed rent free  
But if you ask Imma say  
"Nah I'm all good G!"  
I feel nothing for you, literally  
We're just friends that fuck  
It's really not deep  
But it's still deep enough to swim in  
How come you're speaking to other women?  
I'm the one that you should be seeing

Are you mad?  
All of your friends wish they had what you had  
So what if I cried to you about my problems  
Doesn't mean that you actually helped me solved them  
You helped me in a physical way  
And it wasn't even good  
It was fucking great  
Anyway ugh!

I don't think that we should have friendly sex, anymore  
'Cause I'm getting too comfy in your bed  
Oh Lord  
I don't think that we should have friendly sex, anymore  
I'm just gunna say that I've gotten bored  
Because it's easier!

Friendly sex  
Friendly sex  
Friendly sex  
I'm just gunna say that I've gotten bored  
Because it's easier!
