

I'm A Problem

Caity Baser

Have you heard that new Caity Baser tune?
It's so fucking weird, like what is she even talking about?
That girl Caity is just so fucking weird, like she's just so loud

I'm a problem
I'm a problem, yeah
Tell 'em again Caity, what?

I've got big dick energy, bigger than half the guys that I know
Out here making enemies, when you get good that's how it goes, huh
Shit you're so silent, (Shh), think I'm gonna make a little noise, start a r
iot
Wanna stop me, get my face and try it
Bullshit, bullshit, I don't buy it

You say I'm trouble, well I say that I'm fun
You're all stuck up and clever and I'd rather be dumb
Oh, God forbid a woman knows how to get it done
Done, done, done

I'm a problem
They wanna walk like me, talk shit like me and get in my jeans
I'm a problem
Call me the big daddy, 'cause I'm so sexy, they wanna be like me
I'm a problem

Da-da-da-da (Ha!)
Da-da-da-da
Da-da-da-da-da-da-da (Call me fucking daddy)
I'm a problem
Da-da-da-da
Da-da-da-da (Okay)
Da-da-da-da-da-da-da

Oh I'm so twisted, like twister
Oh and your girlfriend, I kissed her
She said she like my demeanour
Head over heels she got blisters
You think I'm crazy? Nah
I just got an attitude and I'm a lady
I'm a yes and you're a maybe
Chance is slim 'cause I'm so shady

You say I'm trouble, well I say that I'm fun
You're all stuck up and clever and I'd rather be dumb
Oh, God forbid a woman knows how to get it done
Done, done, done

I'm a problem
They wanna walk like me, talk shit like me and get in my jeans
I'm a problem
Call me the big daddy, 'cause I'm so sexy, they wanna be like me
I'm a problem

Da-da-da-da (Ugh)
Da-da-da-da
Da-da-da-da-da-da-da (Call me fucking daddy)

I'm a problem
Da-da-da-da (Ha!)
Da-da-da-da (Okay)
Da-da-da-da-da-da-da

If you're a problem
Put your middle fingers up, say that we don't give a fuck 'cause
We don't give a fuck!

If you're a problem
Put your middle fingers up, say that we don't give a fuck 'cause
We don't give a fuck!

If you're a problem
Put your middle fingers up, say that we don't give a fuck 'cause
We don't give a fuck!

If you're a problem
Put your middle fingers up, say that we don't give a fuck 'cause
We don't give a fuck!

Sorry I'm a problem
