

Why Can't I Have Two? (2468)

Caity Baser

There's these two guys, both are so nice
We get on, oh, so well (Let me tell you)
One's got the game, one's got the change
Think I might need some help (Need some help)
I'm just gonna say
Would it be okay if I could just speak my mind? (My mind)
Well, let me put it this way
When I fill up my plate, I like a something on the side (Haha)

Two, four, six, eight
Tell you what I really hate
I got you, but I want your mate
Oh, why can't I have two?
Four, three, two, one
Trouble's always dressed like fun
A girl needs to get some
So why can't I have two?
If I was a guy, I'd do what I like
So why should girls have less, are you dumb?
So give me two, four, six, eight
Why should I settle for one?

They say it isn't allowed because three is a crowd
But what if I took all my clothes off, started doin' it now?
Would you say, "Man don't like to share, unah"
Have you never heard of somethin' called "ménage à trois"?
Well, I have, and it goes like this
Just some red, red wine and a three-way kiss
I'm just kiddin', man, I'm only takin' the piss
I'm not into that
What do you think this is?

Two, four, six, eight
Tell you what I really hate
I got you, but I want your mate
Oh, why can't I have two?
Four, three, two, one
Trouble's always dressed like fun
A girl needs to get some
So why can't I have two?
If I was a guy, I'd do what I like
So why should girls have less, are you dumb?
So give me two, four, six, eight
Why should I settle for one?

Why should boys have all the fun?
Not a slut, just a woman
And if you can, I can too
And that's what we're gonna do

Two, four, six, eight
Tell you what I really hate
I got you, but I want your mate
Oh, why can't I have two? (I want you and you)
Four, three, two, one
Trouble's always dressed like fun
A girl needs to get some

So why can't I have two?

('Cause I want you and I want you) Two, four, six, eight

(Oh, why, oh, why can't I have two?)

Tell you what I really hate

('Cause I want you, but I want you too)

I got you, but I want your mate

(So why, oh, why can't I have two?)

Oh, why can't I have two?

('Cause I want you and I want you)

Four, three, two, one

(Oh, why, oh, why can't I have two?)

Trouble's always dressed like fun

A girl needs to get some

So why should I settle for one?
