

The Race

Cajun Dance Party

See when I didn't start
it was because of my shoes
yeah the shoes that I wore -
they would have gave me a bruise
as i follow my dreams
realise all my dreams

See when i didn't start
that was because of my fear
i had another idea -
it almost brought me a tear
as i follow my dreams
realise all my dreams

the sun will rise, even if you don't happen to be there

They came from over,
The world and further,
To see the race that would change the world,
and i stopped...

see when i didn't start
that was because of my shoes
no i've made that excuse -
i need another excuse
as i follow my dreams
realise all my dreams

The sun will rise, even if you don't happen to be there,

They came from over,
The world and further,
To see the race that would change the world,
and i stopped...

(if i start running when it doesn't mean nothing, and lose you
when this could be something now,
these spikes dig into the tracks, my skull, be calm
