

## Yesterday I Lost My Heart

Cajun Dance Party

Yesterday I lost my heart  
You ripped it out and tore it apart  
Yesterday all you did was smile  
Your smile to him was my denial

Ah ah, I feel bad, ah ah, I feel sad  
Ah ah, I feel bad, ah ah, I feel sad

Where does a sunflower turn when there's no light?

I don't know, but I don't want to go there  
So I will fly away from you and him in every way

Yesterday I lost my heart  
You ripped it out and tore it apart  
Yesterday I tried to be blind  
I poked my eyes til you were out of my mind

Ah ah, I feel bad, ah ah, I feel sad  
Ah ah, I feel bad, ah ah, I feel sad

Where does a sunflower turn when there's no light?

I don't know, but I don't want to go there  
So I will fly away from you and him in every way

I don't know but I don't want to be there  
I don't know but I don't want to be seen there

I will fly away from you and him in every way  
I will fly away!
