

Poison

Cake Pop

I can't wait to wake up
You tell me to wait up
Looking, cooking
I can feel your eyes move around
[?] since the morning
Where the fuck did you find me?
1 to 5 am I started blocking sleep
I see boys [?] around you but I won't say a peep
But I won't say a peep

So how does it work? (How does it work?)
Is this gonna be fine? (How's it gonna be?)
So what is it worth (Was it worth it?)
If we leave it behind? (No)
One more thing I forgot to say: (What?)
I'll be back one day
