

Pombachu

Cake Pop

I didn't think
Anything of anyone
Until I met you
Slipped into my dreams with ease
Like you wanted to
And I won't go anywhere without you
I don't want to
No, I don't want to

Spend my time with my dame
Watch the sunset lay beachside
She my ride or die
Hundred even, yeah we speeding
Yeah, oh my
And I trust these vibes
Look me in the eye
And you trust these signs
If money talk, I'm mute
But I gotta still stunt for you
Bake a cake for two
With the icing even wrote a poem about you
And your smile like jewels
When you getting ready dancing to Ja Rule
(Ya yo)
Step shake one-two
(One two)
And I'm dancing in the mirror with you
(Shake shake)
Slow it down one-two
(One two)
And girl, ain't nun' new

Your stare, your eyes
Love it when you call me baby
Your stare, your eyes
Love it when you call me baby (Oh no)
Your stare, your eyes
Love it when you call me baby
Your stare, your eyes
Love it when you call me baby
Love it when you call me baby
Love it when you call me baby
