

Drinking Champagne

Cal Smith

I'm drinking champagne and feeling no pain till early morning
Dining and dancing with every pretty girl I can find
Having a fling with a pretty young thing till early morning
Knowing tomorrow I'll wake up with you on my mind

Guilty conscience, I guess
Though I must confess
I never loved you much when you were mine

I'll keep drinking champagne and feeling no pain till early morning
Dining and dancing with every pretty girl I can find
And having a fling with a pretty young thing till early morning
Knowing tomorrow I'll wake up with you on my mind

Guilty conscience, I guess
Though I must confess
I never loved you much when you were mine

I'll keep drinking champagne and feeling no pain till early morning
Dining and dancing with every pretty girl I can find
And having a fling with a pretty young thing till early morning
Knowing tomorrow I'll wake up with you on my mind

I'll keep drinking champagne and feeling no pain till early morning
Dining and dancing with every pretty girl I can find...
