Bet he wear them bullets like a headband
Bro them bullets burning give you red tan
Bullets hot they give you red tan
Breaking down the raw like Bam Bam
Breaking down the raw just call me Bam Bam (Aye)
Like Malcolm I'm stuck in the middle (Aye)
With money and drugs and 4 nickels
Don't come around here with them guns that's so little
I fell in love with them drugs just a little
Shawty say she wanna play like a fiddle
But I promise I'm just solving all them riddles
