

## Different Than Them

CalBoy

I always knew I'll be bigger than them  
Trapped all day long in the same clothes  
Now I'm in some different denim  
Made it through rain storms with a rain coat  
That's why I'm so sicker than them  
Niggas be mad, I'm litter than them  
I push it fast, it ain't a rental  
Ran through the field with some real officials  
Niggas be fakin', niggas be snakin'  
Niggas gon' hang when it's beneficial  
Gotta be patient, get up some cake in  
Than you'll figure who really with you  
I know they fraud, they counterfeit  
You was my dawg and this 'bout a bitch  
I fell asleep off this Xan-xan  
I pop the perc just to balance it

Baby I been through a lot tho  
Jump off a porch I was smart, no  
And it's still R.I.P Pop Smoke  
Get this tweekin and I let my pop roll  
He thinkin' he big, he macho  
Aye, I put a Drake in the lead  
Only time my nigga drop 4  
Aye, I'm connected in the streets  
Ain't telling who I got drops on  
Heard he mad he call me opposition  
And that bit lovin my songs  
Aye, I can't trust a soul  
I just hit it with my chain and watch on  
Aye, how that's your mans?  
He fuck with them niggas, yeah, you better watch him  
Yeah, aye, trap money all I need  
Aye, shawty gonna smoke exotic 'till she look chinese  
Aye, heard that bitch love my money but she don't like me  
Aye, all my clothes is different it's all I see  
Aye, you play with big brodie then it's rip
