Ay, ay

Used to wanna be a dope boy (Sheesh)
Roll around with the dope boys (Dope boys)
Trap house got plenty bricks to give away
Forgiotos on the tinted whip to get away
Used to wanna be a dope boy (Be a dope boy)
I ain't beefing with a broke boy (Broke boy)
Got a glizzy, it'll get a nigga out the way
In the kitchen water whipping, made another plate
Used to wanna be a dope boy (Sheesh)
Roll around with the dope boys (Dope boys)
Trap house got plenty bricks to give away
Forgiotos on the tinted whip to get away
Used to wanna be a dope boy (Be a dope boy)
I ain't beefing with a broke boy (Broke boy)
Got a glizzy, it'll get a nigga out the way
In the kitchen water whipping, made another plate

So stop wasting my time
I got some shit running through my mind
This glizzy got fifty, so bye-bye
And I made a play through the wifi
Bought a brand new estate to flip my pies
I was 10 I seen Judy with crack pipes
All my shooters, get groovy, they bagpipes
Pop a Perc when I'm moody, I'm back high
It's funny how I never knew you
Heard they signed me out, I bought a new tooth
I got money now, my foreigners zoom-zoom
I got killers for put forks in your noodle
And that perky controlling like voodoo
And Eddie Murphy's house, we had to boom-boom
I got problems, yeah, I got a loose screw
I flew private and my dope, it flew too

Used to wanna be a dope boy (Sheesh)
Roll around with the dope boys (Dope boys)
Trap house got plenty bricks to give away
Forgiotos on the tinted whip to get away
Used to wanna be a dope boy (Be a dope boy)
I ain't beefing with a broke boy (Broke boy)
Got a glizzy to get a nigga out the way
In the kitchen water whipping, made another plate
