Bitch, tell me the truth 'cause I don't like lyin' (Don't like lyin')

Ayy, if you disrespect the gang then your life mine (Life mine)
Ayy, we gon' put an end to his lifeline (End his lifeline)
Ayy, she said she want fuck, I told her, "Likewise" (Told her, "Likewise")
Ayy, can't name another gang rolling like mine (Rolling like mine)
When them bullets hit his brain, he outta his mind (Outta his mind)
Ayy, I've been up for days, just gripping this nine (Just gripping this nine)
