CalBoy

I run around with that felony  
She fell in love with my melody

Hol up wait fuck nigga who are you  
We been this way but it's new to you  
She see my diamonds they beautiful  
She see I'm shining it's beautiful  
You have no clue what we do to you  
We even tote joints in the funeral  
Whoever thought I'll lose to you  
She said I feel like I'm losing you

And she fell in love with my melodies  
Way she be callin, I let it ring  
And she be callin bout wedding rings  
Like I be sippin so heavily  
I swear I'm so high I'm so heavenly  
I got the potion, the recipe  
I can make niggas go rest in peace  
I ride around with that felony

Fuck nigga lay down  
100 round drum, make em stay down  
Got these bitches stuck in they way out  
We be countin bands we don't play round  
I done seen shit that you never seen  
Niggas ain't real yeah they make believe  
Come around me boy you better leave  
Or you can come in and you never leave

Hol up wait fuck nigga who are you
