

Mixing Potions

CalBoy

Potions

Yea, yea

Yea, yea, uhh

Sorry I ain't turn out how you wanted father (sorry)

I'm still playing it dirty sipping muddy water (work, work, work)

Mixing potions like I'm Harry Potter (like I'm Harry Potter)

Ay, why you risk your life? I did that for my partners (did that for my partner)

Yea, really live like this lil bitch ain't nothing funny

Mama seen a hundred cash like old dirty money (old dirty money)

I stayed down and payed your rent with them same dirty hundreds (same dirty hundreds)

Lil bitch I've been through shit I promise the other side ain't sunny

If I ever did slide it's bussing (bussing)

Tote them heaters we fried his nugget (nugget)

If I miss with the nine you lucky (lucky)

Nigga chicken [?] died from duckin' (duckin')

I'm not sorry he dying in public (public)

Caught him shopping he died in public (public)

Told the opps calm down with the ruckus

I might slide and go get me a bucket

Niggas they hate us, I got my weight up, yea, I'm flexin' muscle (I'm flexin' muscle)

I'm never loafing I got my Nina with me, why would I tussle (why would I tussle)

Baby you bogus, don't want Corona, ew, why would I touch you (ew, why would I touch you)

Day after day, I'm getting colder baby why would I love you (why would I love you)

Want some smoke then you can meet me at the function (meet me at the function)

I'm still taking Percocet to function (Percocet to function)

Shawty nem get lit up when them drugs in (drugs in)

Ay lil baby I was broke I come from nothing (yea yea)

Ay, I'm on to something

Ay, flipped my first million I'm on to something (yea yea)

Baby I've been bossin' up I'm plugged in

I pop out they get to tweaking who done let the thugs in (woah woah)

Ay, Ima forever be sliding bitch I won't go

Ay, you got my number just dial it tell me you want smoke

Ay, you won't be happy to find this ain't want bro

Ay, shorty just get on your [?] and get you some old folks

Sorry I ain't turn out how you wanted father (I'm sorry)

I'm still playing it dirty sipping muddy water (work, work, work)

Mixing potions like I'm Harry Potter (like I'm Harry Potter)

Ay, why you risk your life? I did that for my partners (did that for my partner)
