Need Your Love

CalBoy

I need your love
That's Casey
It's true
Oh, it's true

Jump out the bed, I woke up late, I'm feeling strange
Too much confusion, I've been twisted in the brain
I tried to tell you, you don't feel me, I feel pain
But I'm solid, baby, you know I can stand the rain
Starting to be the same
It's cloudy every day
Still can't take no break
This money gon' still get made
And I remember days
I jumped out, let it bang
Let it replay in my brain
I know you can't relate
If I let you take the wheel, girl, will you crash out?
And I trust you enough to give you keys to the stash spot
Or do I give you all of me and watch you back out?
Well, I come from the streets, so I can't back down

I need your love (I need your love)
Your love, your love, if it's true (if it's true)
Oh, if it's true (ooh, if it's true)
I need your love, your love, yeah, your love (your love)
Oh, if it's true (ooh, if it's true)
Oh, if it's true (ooh, if it's true)
I need your love

Yeah, yeah, baby, tell the truth
I can't even handle mine, I always think of you
Feel like I'm gettin' left behind, you never think of me
I was thinkin' forever, hoes, you said that's make believe (real)
We fussin', fightin', then we make up, shit, Maybelline
She probably zooted from this energy she take from me
Let's tell the truth, bitch, all this energy you take ain't cheap
And I've been deep up in my feelings, fuck around and I break my sleep
If I let you take the wheel, girl, will you crash out?
And I trust you enough to give you keys to the stash spot
Or do I give you all of me and watch you back out?
Well, I come from the streets, so I can't back down

I need your love (I need your love)
Your love, your love, if it's true (if it's true)
Oh, if it's true (ooh, if it's true)
I need your love, your love, yeah, your love (your love)
Oh, if it's true (ooh, if it's true)
Ooh, if it's true (ooh, if it's true)
Your love
I need your love
Your love
If it's true
Oh, if it's true
Oh, if it's true
I need your love
I need your love

```
I need your love
If it's true
Oh, if it's true
```

```
I need your love
If it's true
Oh, if it's true
```
