Speaking on my brodie, y'all some bitches, get left in the street  
Twin be off them xannies, boy, you trippin', still stepped in the seats  
Play with us, it's damage, on my daddy, he resting in peace  
Told my bitch don't panic, If I'm blammin', just duck in the seat  
Oppas want me dead, but I'll be damned, so I'm tuckin' this heat  
It's off with head, he end up dead cause he fuckin' with me  
Yeah, still gotta keep it P  
Niggas do it for the 'Gram, I could eat it rare, I don't want the seasoned beef  
Bitch, I grew up seeing red, demons in my head, I can't even sleep in peace  
Steady rollin' off the bars, streets done broke, damn near let 'em keep a piece  
Sorry I ain't tryna play, blame it on the label, I been tryna feed the streets  
And then shoutout my supporter, I was on my own, niggas ain't believe me  
Double shoutout my supporter, I was on my own, niggas ain't believe in me

Bitch, I found my purpose, whole new person when them perkys in  
Double cup, it's syrup, we ride around purging, that's my purple friend  
Me and this bitch sip syrup, but it's a turn off if she burp again  
Told her to risk her life a few times first, then I'll buy Birkins then
