

# Rumors

CalBoy

Don't know why  
Don't know why  
Yeah, it's always I do  
Shawty, I knew  
On foenem  
6lement  
Hey

Roll one for all the times we had to shoot up (Roll up)  
And I can't come around without my shooter (Shooter)  
And I ain't really into spreading rumors, no  
But, in the end, it always come down to who does more (Does more)  
It's always, I do (I do)  
Can't keep no secrets from me, I knew (I knew)  
Ayy, people switchin' on me, don't know why  
If I had to give up on you, know I try

I come from the streets, them trenches raised me  
I've been tryna get it, water whippin' on the daily  
And now my life a movie, this shit crazy (Crazy)  
And I'm still so quick to get him if he play me (For real)  
Or if he played you, I swear, he get the same thing  
Thought you was my dawg, how you betray me? (Betray me)  
Met a bitch, she say, "Here go my number, call me maybe?" (Call me maybe)  
I fucked with her, later down the road, she did the same thing  
Oh, what a shame, she text me, "I love you," bitch, how true is that? (True in the path)  
These days, I don't know you, I'm like, "Who is that?"  
Racks in the bag, these days I ain't trippin', it ain't 'bout the checks  
I'm still by my lonely, still fight demons with these Percocets (I)

Roll one for all the times we had to shoot up (Roll up)  
And I can't come around without my shooter (Shooter)  
And I ain't really into spreading rumors, no  
But, in the end, it always come down to who does more (Does more)  
It's always, I do (I do)  
Can't keep no secrets from me, I knew (I knew)  
Ayy, people switchin' on me, don't know why  
If I had to give up on you, know I try

I can't show no love that you was gon' to waste  
Before you thought, you talk like I was born today (For real)  
They wan' play these games like I wasn't born to play (Duh)  
Before I was Cal The Wild, lil' bitch, I was blowin' a K (Boom)  
Made a fifty yesterday, made more today (For real)  
I got drippy yesterday, copped more today  
You said, "It's stuck," that shit for life, ain't goin' away  
Ayy, tweak with gang, you just might meet the Lord today (6lement)  
These diamonds on me, bitch, they bustin', these rocks swing like ornaments  
My shawty gon' bend your block, I'm scorin', get buckets, don't lose no tour  
naments  
Came a long way to make this name, lil' bitch, I go war for this  
My shawty on go, I train the chosen one, I feel like Morpheus  
Popped out on gang time, ayy, throwin' up gang signs  
I bought all the drip, I'm fly as fuck, lil' nigga got hang time  
I ain't got no feelings, it's double-fuck the bitch, lil' shawty ain't mine  
Most of these niggas be pussy, cappin', I heard that through the grape vine

I said I'm numb, I just might treat her right, but I ain't tryin' to wife  
He off a hundred racks and he been livin' life, he still tryin' ride  
These days I've been rollin' nights, I still got blow my pipe, feel like the  
Pied Piper  
Keep your pole and watch your bros, bitch, I learned from Mekhi Phifer

Pour one for all the times we had to shoot up  
Hey (Shoot up)  
And I ain't really into spreadin' rumors, no  
(And I ain't really into spreadin' rumors, no)  
(Pour one for all the times we had to shoot up)  
Hey (Shoot up)  
And I ain't really into spreadin' rumors, no

Roll one for all the times we had to shoot up (Roll up)  
And I can't come around without my shooter (Shooter)  
And I ain't really into spreading rumors, no  
But, in the end, it always come down to who does more (Does more)  
It's always, I do (I do)  
Can't keep no secrets from me, I knew (I knew)  
Ayy, people switchin' on me, don't know why  
If I had to give up on you, know I try

Know  
Know I try  
Don't know why  
Know I try  
(Know I try)  
(Know I try)
