

# She Know (In Too Deep)

CalBoy

'Cause I get all the racks and she know  
I'm can flip a pack and she know  
Ayy, we roll up the thrax and she know (She know)  
We get wild in traffic, she know (Jang on the beat)

I got all, shawty love, pure codeine, but she like me  
Gotta beat the odds, stack to star  
I work hard, don't get no sleep (Yeah)  
Hit them hard, prolly went too far  
Can't say sorry, I'm in too deep (Boom)  
And I ride with the chop' when I'm in my car  
Send him to my God, that's if he tweak  
We known to get this shit bustin', I was like nine on the block and I'm thug  
gin' (I'm thuggin')  
Where you're from don't mean nothing, you know my body, you know I'm a hustl  
er (Uh-huh)  
We got it straight out the mud, so slept in that trap, had to flip it and do  
uble, yeah (Double, yeah)  
Ain't one of us then it's fuck you, we spin his block then he know he in tro  
uble, yeah (Trouble, yeah)  
They know I come with some trouble, ayy (Yeah)  
I know the feeling, be stuck in them trenches when nobody love you, ayy (Yea  
h)  
I cannot trust a soul, oh no, 'cause nobody love you, ayy (Yeah)  
Momma had told me to watch my lil' cup, it ain't nobody for you (Hey)

This shit, she turnin' me cold (Turnin' me cold)  
Think it's best I ride with my pole (Best I ride with my pole)  
I just be rollin' alone (I just be a rollin' alone)  
I leave, she, don't nobody know (I leave, she, don't nobody know)  
Shawty wanna come with me home (Hey)  
'Cause I get all the racks and she know (She know)  
I'm can flip a pack and she know (She know)  
Ayy, we roll up the thrax and she know (She know)  
We get wild in traffic, she know

Ayy, I had to run up them digits  
I roll with some men and just stand on that business, huh  
Brodie got dope in the kitchen, whip pots and the pans but he don't need a m  
inute, huh  
No, I'm no wastin' no time, bitch, I gotta get it, won't wait not a minute,  
nah-uh  
Actin' with dope like a bucket but we got the sticks and they came with the  
drums  
I can get dope with the robbers, we came with the sticks and you know what w  
e want  
He said he wanted some problems, don't load up your clip 'cause we already w  
on  
Pray to my Lord for forgiveness, I cannot say sorry, it's already done  
Say what she do and she did it 'cause she got some powers that come with a t  
ongue  
I think she feelin' the difference, we let it get litty, yeah, she havin' fu  
n  
I live this life that I'm livin' but you ain't a gangsta 'cause you tote a g  
un  
Heard you want play with that baby, now your life in danger, you know what i  
t was

She know I ain't fakin' if I don't come over when I said that I was

This shit, she turnin' me cold (Turnin' me cold)

Think it's best I ride with my pole (Best I ride with my pole)

I just be rollin' alone (I just be a rollin' alone)

I leave, she, don't nobody know (I leave, she, don't nobody know)

Shawty wanna come with me home (Hey)

'Cause I get all the racks and she know (She know)

I'm can flip a pack and she know (She know)

Ayy, we roll up the thrax and she know (She know)

We get wild in traffic, she know
