Ah-ah  
Oh, why?  
Uh-huh

'Member them days we used to sit back and stargaze (Sit back and stargaze)  
Havin' talks about this shit that we all prayed about (That we all prayed about)  
No regrets about decisions we all made (Decisions we all made)  
Havin' hopes that we got rich, then we all made it out (Made it out)  
I lost my dog, I think about that shit all day (All)  
I was thinking 'bout that shit that we all prayed about (That we all prayed about)  
Remember them days we used to trap in them hallways (Hall)  
Havin' hope that we got rich and then we all make it out (Rich and then we all make it out)

Uh, yeah, wait, I swear I seen it all (I seen it all)  
I seen 'em reach up to the top, I swear I seen 'em fall (I swear I seen 'em fall)  
And I know some things I only know, I will not tell out loud (Will not tell out loud)  
Heaven only knows, best hold your head, oh, don't go breaking down (Go breaking down)  
Problems I often ran into (Ran into), tryna rack this revenue (This revenue)  
I did some things you never knew (Never knew)  
Had to get ahead of you (Ahead of you)  
Stargazing, thinkin' 'bout this pain and heart break (Oh, ah)  
I pray to make it up out all them dark days, and only if you knew me (Knew me)  
I still ride around and grip my tooly (Grip my tooly)  
And baby, I been keeping shit the truest (Keeping shit the truest)  
And you won't catch me slippin', bitch, that's foolish (Bitch, that's foolish)

'Member them days we used to sit back and stargaze (Sit back and stargaze)  
Havin' talks about this shit that we all prayed about (Things that we all)  
No regrets about decisions we all made (Decisions we all made)  
Havin' hopes that we got rich, then we all made it out (We all)  
I lost my dog, I think about that shit all day (Think 'bout it all day)  
I was thinking 'bout that shit that we all prayed about (That we all)  
Remember them days we used to trap in them hallways (Hallways)  
Havin' hope that we got rich and then we all make it out (Rich and then we all make it out)

Ayy, I just lost my dog, I wanna set it off (Set it off)  
Ayy, I just hit the lick, this feel like Set It Off (Set It Off)  
Ayy, he just stole the pot, this feel like sell it all (Sell it all)  
Twisted up my mental, I ain't sad at all (I ain't sad at all)  
I know you can't trust too many, dog, I'm telling y'all (I'm telling y'all)  
Tell me how that boy your dog and you go tell it all? (Go tell it all)  
Tell me how we broke that bond that I ain't bend at all? (That I ain't bend at all)  
Tell me how you break that bond when we done did it all? (When we done did it all)  
Ayy, I been goin' numb 'til I can't feel at all ('Til I can't feel at all)  
This shit from the soul, I hope you feel me, dog (I hope you feel me, dog)  
Ayy, I been feeling pain, this shit get really dark (This shit get really dark)

rk)

And I don't want your love, can't tell if it's real or not (Can't tell if it  
's real or not)

'Member them days we used to sit back and stargaze (Sit back and stargaze)  
Havin' talks about this shit that we all prayed about (That we all prayed ab  
out)

No regrets about decisions we all made (Decisions we all made)

Havin' hopes that we got rich, then we all made it out (We got rich, then we  
all made it out)

I lost my dog, I think about that shit all day (I think about it all day)

I was thinking 'bout that shit that we all prayed about (That we all prayed ab  
out)

Remember them days we used to trap in them hallways (Hall)

Havin' hope that we got rich and then we all make it out (Make it out)

Stargaze, stargaze
