CalBoy

Hey
Hey

I've been losing my mind, I let you take control
Shawty you a vibe I feel that in my soul (soul)
I won't waste your time ain't no one got to know
Baby don't worry you know gangstas make it home
I'm the realest that she seen do it (seen do it)
I've been thinking me and you, it got a ring to it (got a ring to it)
She so sexy the way that she walk, she come with theme music (come with them
e music)
Baby just bring me that pussy let me sing to it

Baby I come from the darkness, won't speak about the shit I've seen (I've se
en)
I roll exotic and smoke, yea, that's all of the therapy I need (I need)
I made it out of the storm, yea, I shocked a nigga like lightning (lightning
)
I had a brother he gone, yea, I still see that nigga when I dream (hey)
Shawty she broke my lil heart, I still think about her when I dream
Don't wanna tell her what I think
I never met no one like me
And I never met no one like you
I couldn't love if I tried to
I just need something to vibe to
And you ain't nobody to lie to

I've been losing my mind, I let you take control
Shawty you a vibe I feel that in my soul (soul)
I won't waste your time ain't no one got to know
Baby don't worry you know gangstas make it home
I'm the realest that she seen do it (she seen do it)
I've been thinking me and you, it got a ring to it (got a ring to it)
She so sexy the way that she walk, she come with theme music (come with them
e music)
Baby just bring me that pussy let me sing to it

Baby just bring it my way, yea
Hope you on the way when I call
Ain't come here to show you no love, been duckin' them cuffs like I'm breaki
ng the law
But you better watch how you talk, might fuck round and fight, I'm still bre
aking you off
Might teach you to move like a boss
You know that the flavor done came with the sauce
Baby tell the truth I'm the realest you ever seen do it
I've been thinking me and you it got a ring to it (ring to it)
I ain't talking bout love, you don't see me bring no ring to it
Even though I ain't got no heart, bring it here I won't be mean to it (yea)

I've been losing my mind, I let you take control
Shawty you a vibe I feel that in my soul (soul)
I won't waste your time ain't no one got to know
Baby don't worry you know gangstas make it home
