

They say poppa was a rolling stone, I'm rollin like em'  
And I roll Exotic Leek Pass me a lighter  
And we kill in these streets, and fight for our survival  
I just woke up with a freak although I never liked her  
She say I been stuck like glue cause it ain't nothing like you  
Baby Ima keep it g I'm not no-one to lie to  
I remember feeling clueless thinking what should I do  
You'll never know your strength until the devil try you

I'm not think bout' what he said or she said  
I'm thinking bout what we said love  
Never said I'm weakened but I'm sinking  
I'm falling off the deep end love  
And Wildboy been numb with a cold heart  
I can tell you what the streets said love  
Shawty say she lonely what the old me  
I'm so sorry darling he dead love

Man its crazy how your ideal turn to rivals  
Oh what a shame I used to wanna be just like you  
Gang signs out the window cause all my brothers tribal  
All these niggas fake important how the Fuck you get a title?

They say poppa was a rolling stone, I'm rollin like em'  
And I roll Exotic Leek Pass me a lighter  
And we kill in these streets, and fight for our survival  
I just woke up with a freak although I never liked her

Baby Ima keep it g I'm not no-one to lie to  
I remember feeling clueless thinking what should I do  
You'll never know your strength until the devil try you

Through the trial and tribulations you keep your head up  
I been trapping, Tryna stack and get this bread up  
I done seen some shit that'll fuck a nigga head up  
All these niggas billy badass til that lead bust  
I won't speak about a problem, prolly sing a song  
I got shit up in my head that why I be alone  
Who the fuck gone share the love when I need it most?  
Niggas owe me a couple slugs so I keep it close  
I been getting high cause I been feeling low  
I done did some shit the world may never know  
Lost so many of my dawgs and I can't let em go  
When they ask me how I'm feeling, I just tell em cold

They say poppa was a rolling stone, I'm rollin like em'  
And I roll Exotic Leek Pass me a lighter  
And we kill in these streets, and fight for our survival
