

Good Day, Gettin' Better

Cale Dodds

The day might be done, but round here we just gettin' going
Raise a toast to the sun, this one's for gettin' us rolling
Jenny's getting care free
With her bare feet dance
And I'm soakin' every second in
The best that I can
Feels like a

Good day

Yea, it looks
Like we're out here in the middle of a
Kind that makes you want another
Good day gettin' better
Hey hey hey
Hey hey hey

That half empty cooler, still gotta-lotta get right left
That coming up moons sure got a lotta shine on deck
We checked a day full of boxes off of a good time list
But we ain't bout to stop it cus we don't wanna miss this...

Good day
Gettin' better
It's already been one for the books
Yea, it looks
Like we're out here in the middle of a
Kind that makes you want another
Good day gettin' better
Hey hey hey
Hey hey hey

Yeah, we love to see a
Good day
Gettin' better
It's already been one for the books
Yea, it looks
Like we're out here in the middle of a
Kind that makes you want another
Good day gettin' better
Hey hey hey
Hey hey hey
Hey hey hey
Hey hey hey
