

Take You Back

Cale Dodds

Girl, it's so good to see ya
Crazy, I can't believe you're
In the same bar at the same time as me tonight
Let me buy you a drink, catch me up on life, like
How's your mom? Does she still ask about me?
And do your friends say you're better off without me?
Well, how about you? If it was up to me and you wanted to

I'd take you back to when I was the guy that was with you
Back to the nights that we'd always end up
Back in the back seat kissing in your driveway
If I had it my way
I'd take you back to the back row, miss the whole movie
You're the only thing I was watching
'Cause we couldn't stop it, so why did we stop it
If we still got it, you don't gotta ask
I'd take you back
I'd take you back
I'd take you back

It looks like you're single
No diamond on your finger
If you ain't waitin' for someone
Then I'll be that someone like I used to be
'Cause just for tonight it's alright with me

I'd take you back to when I was the guy that was with you
Back to the nights that we'd always end up
Back in the back seat kissin' in your driveway
If I had it my way
I'd take you back to the back row, miss the whole movie
You're the only thing I was watching
'Cause we couldn't stop it, so why did we stop it
If we still got it, you don't gotta ask

I'd take you back to that goodbye
And trade it for a good time
And tell me have you ever thought 'bout picking up where we left off?
If you have, then I'd take you back

I'd take you back to when I was the guy that was with you
Back to the nights that we'd always end up
Back in the back seat kissin' in your driveway
If I had it my way
I'd take you back to the back row, miss the whole movie
You're the only thing I was watching
'Cause we couldn't stop it, so why did we stop it
If we still got it, you don't gotta ask
I'd take you back
I'd take you back
I'd take you back
I'd take you back
I'd take you back
