

Wild And Reckless

Cale Dodds

We got sunshine, on a stretch of highway
Where the long nights, turn into days
And all your worries, get gone
Fade away

Well, ten feet high rope swinging off a riverbank
We're gonna stay for awhile, there's nothing left in the tank
And that old muddy water, rolling over our feet, in the sand
Oh, one two three baby take my hand
Cause we're diving in, well c'mon and

Take me back to the wild and reckless
The summer sun ain't ever going to set
Do you feel it?
That's what you wanted that's what you wanted
Take me back to the golden glory
Keep on living that american story
That's what you wanted
That's what you wanted
Wild and reckless

We had it all back when we had nothing
If time was money we were living like rich men
Taking it easy yeah living in the fast lane
Oh, 6 7 8 years later when we try to explain
We'll say

Take me back to the wild and reckless
The summer sun ain't ever going to set
Do you feel it?
That's what you wanted that's what you wanted
Take me back to the golden glory
Keep on living that american story
That's what you wanted
That's what you wanted
Wild and reckless
Wild and reckless

Take me back to the wild and reckless
The summer sun ain't ever going to set
Do you feel it?
That's what you wanted
That's what you wanted
Take me back to the golden glory
Keep on living that american story
That's what you wanted
That's what you wanted
Wild and reckless
Wild and reckless
Wild and reckless
Wild and reckless
Wild and reckless

We got sunshine, on a stretch of highway
Where the long nights, turn into days
And all your worries, get gone
Fade away
