

You Shouldn't Have

Cale Dodds

If you thought I was buying this drink here for ya
And I'd say what I know that'll make you laugh
If you thought I'd miss you, kiss you, pick up where we left of
f last
You shouldn't have

You shouldn't broken up with me, if you were gonna want me back
You shouldn't have hit up all my friends, finding out where I'm
at
And if you didn't wanna see me out with someone new, someone ot
her than you
If you're here thinking that, we're gonna get it back, girl tha
t's a feelin' that
You shouldn't have, you shouldn't have, broken up with me
You shouldn't have, you shouldn't have, broken up with me

If you didn't wanna see me out on the dance floor
Showing her that move that you showed you me
If you thought I'd call us a ride, and make up at your place to
night
Well, you must've lost your mind

You shouldn't broken up with me, if you were gonna want me back
You shouldn't have hit up all my friends, finding out where I'm
at
And if you didn't wanna see me out with someone new, someone ot
her than you
If you're here thinking that, we're gonna get it back, girl tha
t's a feelin' that
You shouldn't have, you shouldn't have, broken up with me
You shouldn't have, you shouldn't have, broken up with me

Yeah, you shouldn't have called it off drunk on a Tuesday night
Telling me you need space and a little time
Girl, you can't just go and change your mind, it's too late to
realize

You shouldn't broken up with me, if you were gonna want me back
You shouldn't have hit up all my friends, finding out where I'm
at
And if you didn't wanna see me out with someone new, someone ot
her than you
If you're here thinking that, we're gonna get it back, girl tha
t's a feelin' that
You shouldn't have, you shouldn't have, broken up with me
You shouldn't have, you shouldn't have, broken up with me
