Caleb Gordon

Aye, O-C-O-E-E  
Aye, 2000 E-S-T

Big dippa' (aye)  
Big drippa' (yeah, yeah, yeah)  
Skinny pants, do my dance, like it's ants in 'em  
Yahweh big who  
Dead center, none betta' let it flow  
Big river  
Florida hot, bars cold  
Big shiver  
Serve God big sheesh  
Life giver  
Got eyes back then I ain't have no sight in 'em  
It's hard to shine ya light  
Hangin' round a light dimmer  
I been a  
Big fibber  
Big sinner (yeah)  
Wild liver, see the child in him  
As I grow older everyday  
I peel away my childish ways (for real)  
This ain't no Kid 'N Play  
That boy turn to a man today (let's go)

I see pride on the walls  
Hold on where my can a Raid (can a Raid)  
Over time I evolve but I stop watching anime (I did)  
You see what I'm Super Saiyan  
Can't you see that we ain't playin'  
Had that iso on a island just so I could hit a plan  
We keep wildin', we keep stylin'  
We ain't worried bout what they sayin'  
What they sayin, ion don't know  
I'm in the clouds, can't understand  
I'm hoppin' out but I don't gotta chase a clout or rubberband  
You ain't wit' it, quick to cut ya out like Edward Scissorhands  
Don't bring dat fear, don't bring dat doubt  
We bout to go possess the land (yeah)  
You can win  
But don't expect this life to throw an underhand (for real)  
The spirit led me to the wilderness and I ain't understand  
But if you never hit that bottom  
How you gone take a stand (for real)  
Who I am

Big dippa' (yeah)  
Big drippa (yeah, yeah)  
Skinny pants, do my dance, like it's ants in 'em  
Yahweh big who  
Dead center, none betta' let it flow  
Big river  
Florida hot, bars cold
