

Burdens Heavy

Caleb Gordon

Woah, this life is full of sorrow
Hope I see tomorrow, hope I see tomorrow, ooh
Woah, this life is full of vano
Seasons change and time goes
Don't know where my mind goes
Woah, I don't know wherever the wind mind blow
If I let You take control, won't let them take my soul
Ooh, I will put my trust in You alway'
Know the storm will still come my way
Long as You watching over me, everything will be okay

Oh, Lord help me
Burdens, heavy
Oh, Lord help me
Burdens, heavy
Oh, Lord help me
Burdens, heavy
Oh, Lord help me
Burdens, heavy

One time, two times too many
Tried to find what's the better
Option for me, option for me
Ran to things that would've satisfy my needs of

Your touch is pushing me closer to Ya'
Makes me wanna know Ya'
Makes me wanna lay in Your embrace
Oh, I don't know where the wind might blow
I'll let You take control
No, won't let them take my soul
Oh, I will put my trust in You alway'
Know the storm may come my way
Long as You watching over me, know that I will be okay

Oh, Lord help me
Burdens, heavy
Oh, Lord help me
Burdens, heavy
Oh, Lord help me
Burdens, heavy
Oh, Lord help me
Burdens, heavy
Oh, Lord help me
Burdens, heavy
Oh, Lord help me
Burdens, heavy
Oh, Lord help me
Burdens, heavy
Oh, Lord help me
Burdens, heavy
Oh, Lord help me
Burdens, heavy
