

# Christmas Day

Caleb Gordon

Hey, wait  
Is this what Eden sounds like?

Uh-huhn (Uhn)  
Hey (Hello)  
We got it lit on Christmas day (Yeah!)  
We got it lit on Christmas day  
Uh-huhn (Yeah)  
Hey (Hi)  
We got it lit on Christmas day  
We got it lit on Christmas day  
Uh-huhn (Yeah)

Love in the air  
I know you feel it 'cause it's everywhere  
Thank God we made it through another year  
Realized a whole lot on the way  
Know the Lord give and He take away (Take away)  
No, we won't stop, just pray  
And the blessings keep fallin' down like rain  
Light with me, you can keep the sleigh  
In this life, it's so much to appreciate  
Shout out Christ, the King, the One we celebrate  
Always on time, no, He never late  
Good, yeah, the whole fam' straight  
In the O, we never see a snow day  
On the road, yeah we don' found a new way  
G-O-D, He wipe me clean, Colgate (Colgate)

Uh-huhn  
Hey (Hello!)  
We got it lit on Christmas day  
We got it lit on Christmas day (Brr)  
Uh-huhn (Yeah, ain't no way)  
Hey (Hi!)  
We got it lit on Christmas day  
We got it lit on Christmas day  
Uh-huhn (Brr)

Yeah, you can keep the presents  
'Cause I got His presence on me  
Everyday a blessing, tell me why you trippin', homie  
Got joy in my soul, see it drippin' off me  
Get free, you don't gotta pay a fee-ee  
Type of gift you don't see under the tree-ee  
But I promise, you got everything you nee-ee-eed  
Be surprised what you find when you see-ee-eek  
His face! (Yeah!)  
No, it ain't ever too late  
Like the teach', G-O-D puttin' food on the plate  
What He wrote, do you know, free your soul with no cape?  
I was wildin' so long, He saved me by His grace  
I was runnin' so long, couldn't keep up the pace  
Living water, I just needed a taste  
As long as I live, I'm givin' Him praise  
It just so happens that He born on this day  
(Born on this-, It just-, just so happens that He born on this day)

Hey (Hello)  
We got it lit on Christmas day (Yeah)  
We got it lit on Christmas day! (No, we do!)  
Uh-huhn (No capp-ing!)  
Hey (Hi)  
We got it lit on Christmas day  
We got it lit on Christmas day  
Uh-huhn

It gon' be a merry, merry Christmas, yeah  
Uh, Christmas, yeah  
It gon' be a merry, merry Christmas, yeah
