Lord, fill me up, fill me up
Oh, Lord, fill me up
I need You, I need You
Lord, fill me up, fill me up (Do it)
Oh, Lord, fill me up
I need You, I need You

Yeah, know You gon' do it
You got a shot and I know You gon' shoot it
Know You the one and You don't gotta two it
Look at my life and you cut right into it
You gave me chance after chance and I blew it
Showed me the way and I still didn't do it
Still didn't do it, looked in the mirror like what am I doin'
Know that You with me when I'm goin' through it
Wouldn't be here if I didn't put You in (Live for You)

Lord, fill me up, fill me up (Do it)
Oh, Lord, fill me up
I need You, I need You
Lord, (He gon') fill me up, fill me up
Oh, Lord, fill me up
I need You, I need You

Where would I go without peace?
That'd be like me tryna run with no feet
I put my heart on a leash
I want the pain that I'm feelin' to cease
I just be tryna grow up, but the pain from the past don't wanna release
Know You gon' set me free
That's why I'm comin' on You like-

Lord, fill me up, fill me up
Oh, Lord, fill me up
I need You, I need You
Lord, fill me up, fill me up
Oh, Lord, fill me up
I need You, I need You

I need You in the dark, I need You in the dark
Oh, this life gets dark outside (Outside)
Need You in the dark, I need You in the dark
I know You can make it right

Lord, fill me up, fill me up
Oh, Lord, fill me up (Fill me up)
I need You, I need You
Lord, fill me up, fill me up
Oh, Lord, fill me up
I need You, I need You

I need You, I need You
I need You, I need You
I need You, I need You

I need You, I need You
