

I Got A Secret

Caleb Gordon

Woah, woah, woah, woah

Psst, I got a secret, Jesus loves you
Psst, I got a secret, yeah Jesus loves you
Woah, better not tell nobody
Matter of fact, tell everybody
Jesus loves you (Woah, woah, woah, woah, woah, oh)
Jesus loves you (Jesus loves you)
Woah, woah, woah, ayy, Jesus loves you

Babe, you should know for a fact that He loves you
You got a hedge of protection; they can't touch you
What's waitin' for you is yours; they can't take it from you (Oh nah)
They can lock them doors, but my God can break through
(Psst, woah) Just to prove how much that He loves you
It's the mission you keep wakin' up to (wakin' up)
He's the One you should give all your trust to (Woah, psst)
Who would think He the biggest you know?
Way before He was writin' His will
He was still already thinking of you
(You, you, you, you, you, you, you, you)
God sent His One and Only Son just to come and die for you
You ain't gotta worry
He'll never leave or forsake you, dog, He's right wit' you
(You, you, you, you, you, you, you, you)
Before He let you go, I gotta let you know

Psst, I got a secret, Jesus loves you
Psst, I got a secret, yeah Jesus loves you
Woah, better not tell nobody
Matter of fact, tell everybody
Jesus loves you (Woah, woah, woah, woah, woah, oh)
Jesus loves you (Jesus loves you)
Woah, woah, woah, ayy, Jesus loves you (yeah)

When I was down, deep in the mud (down)
Didn't know who I was
That's when I went and found Your love (You)
I tried to slip it all under the rug
Didn't think that I was enough
Until I went and found Your love
I looked everywhere, tried to go to them
Find out they ain't really care
Ooh, you need a fixup?
I know the One who really gets ya
I was down to do, down bad, 'til I went and met the Victor

(Sheesh) Now I cannot miss
All I hit the switch
Used to put the bricks up
I was deep in sin
And I went like, "Wait, I need someone to come and take the picture"
Devil hearin' the still, small voice
So I told ya, "Listen"
Devil can't even get all my joy
'Cause I've been forgiven (forgiven)

Psst, and I got a secret (Oh), Jesus loves you
Psst, I got a secret, yeah Jesus loves you
Woah, better not tell nobody
Matter of fact, tell everybody
Jesus loves you (Woah, woah, woah, woah, woah, oh)
Jesus loves you (Jesus loves you)
Woah, woah, woah, Ayy, Jesus loves you

Mm-mm, mm-mm, mm-mm
Jesus loves you
Psst, Jesus loves you
Woah, ayy, I gotta tell somebody
I'm tryna tell everybody (Jesus loves you)
I gotta tell somebody
I'm tryna tell everybody
Psst, Jesus loves you
