

# Joy To The World

Caleb Gordon

Uh, ayy, (Ayy)

Ayy, uh

Yeah, uh (Ay-Ayy!)

2021, I been a lil' lazy

2022, I'm poppin' out crazy! (Ayy!)

Joy to world, joy to the fam (Huh?)

We cook up on Christmas, we goin' Ham (Huh?)

We don't need no Santa, we worship the Lamb (Huh?)

The earth is the Lord's, we takin' the land

Joy to the world, Jesus was born

He died on the cross, the veil, it was torn (Huh?)

He rose from the grave (Huh?)

He settled the score (Huh?)

Call on His name, He got blessings in store!

I'm in my bag like I went to the store!

I was down bad 'til I called on the Lord! (You called on the Lord?)

I called on the Lord, He made a way

Yeah, He opened the door

Now I got that

Joy!

On me, yeah

I got that

Joy!

On me, yeah

I got that

Joy!

On me, yeah

I got that

Joy- (Ay-ayy!)

Look, calves on swole

Yeah, we keepin' you on your toes, ayy (Uh)

They say, "You doin' the most"

"Ayy, lil' boy just do as you're told", ayy (Uh)

Caleb was doing a show, I had to come through to the O (I did!)

I'm in the stu' with the bros, we hop in the booth and we goin'

Cray-cray, (Uh), Cuckoo (Uh, uh)

We spit flame like Mushu (Ay-ayy!)

We get streamed like Hulu (Uh, uh)

It's a God dream, man, who knew? (Uh)

What can I say? It's really because of His grace

I guess I come a long way from when I made Goose Juice (Uh, uh)

Okay, I'm up in Eden, on G-O-D, I am leanin'

But I ain't sippin' Codeine, I'm sippin' the Yoo-hoo (Uh, uh)

Ayy, joy to world, joy to your mama'n'em

They say that we sound the same like a homonym

'Cause we all talk about God, we some godly men and women

Unlimited plan, I call Him any minute

All of this grace on me, got me in my feelings

I don't even mess with Keke

Father, Son, Spirit on me, lemme get a three-piece

Father guides me so I really keep it PG

Spirit bearin' fruit, now I'm really feelin' peachy

Son got me charged up, som'n like GE

Som'n like Steve, he been on his job

I guess that's why, I don't really keep the PC

Puttin' it work, work, som'n like Ri-ri  
I was blind, now I got the keys like Stevie  
God told me, "With Me, ain't nothing impossible!"  
"Call me, beep me, if you wanna reach me!" (Prtrt!)  
Yeah (Yeah)  
And He comin' back again (Let's go!)  
Joy to the saints, som'n like Wayne

All praise to the Lord and Savior!
