

# Keep It 100

Caleb Gordon

Aye 2000, E-S-T  
Yeah, O-C-O-E-E

Yeah, keep it a hunnid  
Yeah, keep it a hunnid  
Yeah, keep it a hunnid  
Yeah, keep it a hunnid  
Yeah, keep it a hunnid

Keep it a hunnid, gotta keep it real  
I'd never change for a dollar bill  
They told me, go ahead, sign the deal  
I took my time, 'cause I tried to build  
I took my mind, put it in Your will  
I took my time, put it in Your will  
Keep it a hunnid, you don't gotta lie  
I got a hunnid angels on my side (Brr, bah, hah)  
Wait, I found my Cinderella  
We be reading Paul letters  
If we fall, we fall together  
When we get up, we get better  
Take me high with no propeller  
Take me high with no propeller

Yeah, keep it a hunnid  
Yeah, keep it a hunnid  
Yeah, keep it a hunnid  
Yeah, keep it a hunnid

Stay a hunnid, don't you lie  
Holy Spirit on my side  
Now you with me, nationwide  
Boy, you better pick a side  
'Cause we had to sacrifice  
You don't really know the price  
Don't fall in love with the lights  
I had to get the love from Christ  
But it ain't happened overnight  
With the King, I walk in right  
Watch how I step with the light  
Watch how I step with the light (Step, step, step)

Yeah, keep it a hunnid  
Yeah, keep it a hunnid  
Yeah, keep it a hunnid  
Yeah, keep it a hunnid  
Yeah, keep it a hunnid  
Yeah, keep it a hunnid  
Yeah, keep it a hunnid  
Yeah, keep it a hunnid
