Bible on me and I keep it tucked (Brr, fah)
Keep it tucked
Ayy, Bible on me and I keep it tucked (Brr, fah, du, du, du)
Keep it tucked (Keep it tucked)
Ayy, uh, case a demon run up like, "What's up?" (Like, "What's up? ")
Like, "What's up?" (Like, "What's up? ")
Like, "What's up?" (Like, "What's up? ")
Bible on me and I keep it tucked (Keep it tucked)
Keep it tucked (Keep it tucked)
Keep it tucked (Keep it tucked)

Bible on me and I keep it open
Keep it open (I keep it)
Case a demon try to run up then we blowin' (Yeah, yeah)
Like a nose did
Like a nose did (Like a nose)
Read The Word of the day, then I post it (Then I post)
Not the Instagram story but I post it (But I post it)
To the wall of my mind like a poster (Like a poster)
Know the enemy be lyin', he a poser (He a poser)
So I gotta keep the Script' in my Holster
Gotta, gotta
I'ma follow You, just like Ephesians five said
Capture every thought that comes in my head
Not just talk but You care 'bout what my life says
Yeah, You care 'bout my life
Skrtrt, He gon' stir me right, okay
No more depression, I got life, okay
I get sick, uh, first thing that I do is go pray
He don't miss, uh, all you gotta do is have faith
Open that, hee!
Trust me, He gon' meet you half-way (Meet me half-way)
I was actin', just like Anne Hathaway (It's really on my phone)
'Til You went showed me a whole new way (He did)
That's why I keep the Script' on me (It's on me)
In case the enemy try to play
Let 'em know

Bible on me and I keep it tucked (Brr, fah)
Keep it tucked (But it's really on my phone, though)
Ayy, Bible on me and I keep it tucked (I keep it, keep it tucked in my)
Keep it tucked (Yeah, yeah)
Ayy, uh, case a demon run up like, "What's up?" (Yeah)
Like, "What's up?" (Like, "What's up? ")
Like, "What's up?" (Like, "What's up? ")
Bible on me and I keep it tucked (What's up?)
Keep it tucked (It's tucked)
Keep it tucked (It's tucked)

Bible on me and I keep it open (I keep it op-)
Keep it open (Open)
'Case a demon try to run up then we blowin' (Yeah, we blow)
Like a nose did
Like a nose did (Like a nose)
