

# Liberation

Caleb Gordon

You hear the bells, that's the liberation  
I know that Jesus at the river waitin'  
Don't wanna beef but I'm half-Jamaican  
We can make peace, homie, stop the hatin'  
Holdin' my sin had my back achin'  
I'm at the gym, ballin' like LaMelo Ball  
Saul to Paul, see the way I'm changin'  
'Member, back then, I was movin' flagrant  
I had to straighten up  
Like some braces  
'Member, back then, I was really off the walls  
Vans on my feet, now, I'm skatin'  
Into the promise land  
Got the wisdom like Solomon  
No, I don't want the drama, man  
Got a problem, my Father can  
Solve the puzzle, ain't nobody stronger than

Got the muscle, we flex on The Devil  
He talkin' like Chief  
Back then, I was chiefin' like Keef  
'Til Jesus brought me to the reef  
Now, I don't do the reefin', I breathe  
Read the word and then go to the beach  
It's an hour away  
My life feel sour like pain  
'Til He turn it to flowers, bouquet  
Got the water to fill up the vase  
See the joy, it fill up the face  
Took the cup and He filled it with grace  
Slow and steady have me winnin' the race  
Is you ready? He might pop in the place  
Is you ready? He might pull up today  
In the sky, it's a bird, it's a plane  
Like Elijah, I'ma wait for the rain  
Feel like Joseph, way I'm stackin' the grain  
'Cause you don't know  
When the famine gon' come  
I'm a spy kid  
And The Devil a thumb  
I'm a fly kid  
And The Devil a bum  
Okay, bye kids  
This the hook and we done  
Yeah, hey  
This the hook then we-
