

## Psalms 139

Caleb Gordon

Ayy, 2000 EST  
Yeah, O-C-O-E-E  
Yeah, ayy  
Yeah

You know when I fall, You know when I rise  
Show me the way, when it's dark outside  
When I cannot breathe, You keep me alive  
Can't do this alone, I need You by my side  
You know my truth and You know all my lies  
You know my heart and You know what I hide  
Ohh Lord, I give You my pride  
When I think I can do it all on my own

You gave me Your eyes  
So I can see with a heart of a lion  
Wings like an eagle, You want me to fly  
You gave me back all my time, my life  
Ain't nowhere to hide, ain't nowhere to run  
Try to go to the skies, I  
Know that You there when I lie down  
You the sun when I rise up, up  
And I know that the dark won't hide me  
I look up and Your light shine, shinin'  
Shine all around me  
I was down in the dirt, but You found me  
You know all of my days  
You know me 'fore I knew all of Your ways  
Now You show me how runnin' them plays  
Oh Lord, ohh, way  
Way before I even changed my life  
When I way  
Remember I wouldn't even pray at night  
You still gave, You still went and gave Your life  
That's why I say, "I'll follow You for all of my life"  
Clean my mind, give me a brand new heart  
Clean my mind, give me a brand new-

You know when I fall, You know when I rise  
Show me the way, when it's dark outside  
When I cannot breathe, You keep me alive
