

Seek You

Caleb Gordon

Yo' grace made me too clean
On my own, I can't do this
Wipe me down like Boosie
Devil lyin' like Luci
Tryna keep me in a loop
I ain't with the hoola-hoopin'
Now that I know what the truth is
When I fall, I keep it movin'
Doesn't matter what I do
Yo' love I can't lose
It's You I'm choosin'
No more confusion, I know what I need
Follow the path, I'm lettin' You lead
Was movin' too fast, I'm slowin' my speed
Showed me who I am, I know who to be
Without You, I feel like no air, I can't breathe
Even when I crash, You rescue me

Wait, I'm like
Hol' up, renew
Run it back, redo (Ooh-oooh)
'Til I get it right, I'ma seek you
'Til I get it right, I'ma seek you (Yeah-yeah)
Hol' up, renew
Run it back, redo (Ooh-oooh)
'Til I get it right, I'ma seek you
'Til I get it right, I'ma seek- (Aye, ay-aye!)

I'm out here shinin' my light, light, light (Light, light, light)
Can't you see I'm tryna be Christ-like? (Tryna be Christ-like)
Killin' my flesh like night-night (Hee!)
I put my dog on a leash (Hee!)
Securin' the future I see (Ruff)
I can't be chasin' my tail (Nah)
I don't e'en care how it feel (I don't e'en care how it feel)
I gotta follow Yo' will (I gotta follow Yo' will)
Can't keep feedin' my flesh (Can't keep feedin' my flesh)
Opened Your book and I read, I gotta slide
Thoughts try to run in my mind
I don't give it time (Don't give it time)
I switched up my life
Not on what I used to be on
Lean on the rock like Leon
Lean, lean, lean, lean (Lean)
I'm on what we on (On what we on)
Foot steppin' on demon (Steppin' on demon)
Foot steppin' on demon
Aye, what'chu on? (Yuh)
Yeah, I'm on what we on
Foot steppin' on demon
Foot steppin' on demon

I'm like
Hol' up, renew
Run it back, redo (Ooh-oooh)
'Til I get it right, I'ma seek you
'Til I get it right, I'ma seek you

Hol' up, renew (Uh)
Run it back, redo (Uh)
'Til I get it right, I'ma seek you
'Til I get it right, I'ma seek you, yeah

Aye
Ooh-ooh
Yeah-yeah
