

Shameless

Caleb Gordon

Caleb, is this what Eden sounds like?

Ay, 2000 EST

Yeah, O-C-O-E-E

Well, tell me how you feel about it

They say the fool in the room always be the loudest

Remember me and bro was jumpin' off of couches

Trouble kid tryna get attention, like announcements

I would never let it show

The way that I would feel, try to keep me on the ropes

I was making noise in the classroom, was always tellin' jokes

Didn't know that I was using that to cope

No, I didn't know who I wanted to be

Didn't know there was a purpose for me

No, I didn't know who I wanted to be

Didn't know there was a purpose for me

Oh, now I know

I ain't doin' this for entertainment (Ha!)

Blameless, put me in the picture and You framed it (Woah)

Shameless, You took it all away (Yeah)

You are the reason I'm on the way (Woah)

I ain't doin' this for entertainment (Yeah)

Blameless, I ain't doin' this for entertainment (Woah)

Blameless, I ain't doin' this for entertainment

You are the reason I'm on the way (Yeah)

Just wanted to be accepted

Reckless, Your love, it always protected me

You always pay attention

Lessons, every day You always teachin' me

And I know You gon' show me

Yeah, in my sin, I was way too cozy

You walked in, changed my mind slowly

Holy, now my life sweet, Mr. Moseby

You know me way better than anybody else do

You knew I would fall, I just didn't want to tell You

I was standing tall, didn't think I needed help

But You changed my mind, yeah

For so long, I was wasting time

But really, I just didn't want to wait in line

Really, I ain't want to wait at all

But You knew I wasn't ready

Nah, I didn't know who I wanted to be

Didn't know there was a purpose for me

Nah, I didn't know who I wanted to be

Didn't know there was a purpose for me

Yeah, now I know

I ain't doin' this for entertainment (Uh)

Blameless, put me in the picture and You framed it (Woah)

Shameless, You took it all away

You are the reason I'm on the way

No, I ain't doin' this for entertainment (Yeah)
