

Silent Night

Caleb Gordon

Silent night, holy night
All is calm, all is bright
Yeah

'Cause on that silent night, holy night
Oh-oh-oh-oh-oh
All is calm, all is bright
Round yon virgin mother and child
Holy infant so tender and mild
Born in a manger (Manger)
Came to be my savior (Savior)
Left His living Words
Now I'm walkin' in His favor
Walkin' in His fav-
Walkin', walkin', walkin' in His favor
Jesus is born and it's a celebration

The time has come for Christ the King
Bringing joy to you and me
Hope is filling all the streets
To celebrate the birth of the Prince of Peace
Saved me from falling
From fall- falling
Stepped into my calling
My call-, calling
Praise the Lord, now I'm new in Christ
Spirit got me dancin', got me dancin'
Drippin' in these blessings, in these blessings
Spirit got me dancin', got me dancin'
Drippin' in these bless-
Drippin', drippin', in these blessings

'Cause on that silent night, holy night
Oh-oh-oh-oh-oh
All is calm, all is bright
Round yon virgin mother and child
Holy infant so tender and mild
Born in a manger (Manger)
Came to be my savior (Savior)
Left His living words
Now I'm walkin' in His favor
Walkin' in His fav-
Walkin', walkin', walkin' in His favor
Jesus is born and it's a celebration (It's a celebration)

I said, it's a celebration
Ooh-ooh-oh-oh-oh
It's a celebration
Oh-ooh-ooh-woah
On that silent night
On that silent night
Oh-oh-oh-woah-oh-woah
Silent night

'Cause on that silent night, holy night
Oh-oh-oh-oh-oh
All is calm, all is bright

Round yon virgin mother and child
Holy infant so tender and mild
Born in a manger (Manger)
Came to be my savior (Savior)
Left His living Words
Now I'm walkin' in His favor
Walkin' in His fav-
Walkin', walkin', walkin' in His favor
Jesus is born and it's a celebration
(It's a celebration, it's a celebration)
