

This Christmas

Caleb Gordon

This Christmas, oh
Hang all the mistletoe (Oh)
I'm gonna get to know you better
This Christmas, yeah
And as we trim the tree
How much fun it's gonna be together
This Christmas, oh
The fireside is blazing bright
So bright
And we're caroling through the night
I know that, I know that this Christmas
Will be a very special Christmas for me
Woah-oh-oh-oh-oh, oh-oh

Ayy, look
Shake a hand, shake a hand, shake a hand, ayy
Shake a hand, yeah, shake a hand
Shake a hand, shake a hand, ayy (Everybody shake a hand now)
(Ayy, oh) Shake, shake a hand
Shake, shake a hand (Yeah)
(Ayy, oh) Shake a hand
Everybody shake a hand now (Ayy)

I don't care 'bout the gifts and the presents under the tree
I'm livin' in Your presence, I'm praisin' the Holy King
What you mean? Yeah, we live for Elohim
We just chillin' with the fam, joy and laughter we gon' bring (Oh)
Chillin' out with the fam, spread a pan with the Pam
The oven cookin' the ham, the deviled eggs and the yams
Flourishin' a company, bringin' the joy (Yeah)
The devil can't destroy, we ain't followin' no place, nah
This Christmas gotta be different 'cause I know Jesus has risen
I'm praisin' Him, it's the mission, so I'm submittin' to cleanin' dishes
I know they be cookin' up in the kitchen (Oh)
Reminisclin' 'bout them foods, she put a foot all up in it, ayy (Yessir)
Breakin' all the presents, seein' smiles on they face (For real)
Feelin' all the hugs and the love in this place (For real)
Seein' all that food, do you mind I get a taste?
Gather 'round at the table, do you mind I say grace?

Hahaha, yeah, ayy, look
Shake a hand, shake a hand, shake a hand, ayy
Shake a hand, yeah, shake a hand
Shake a hand, shake a hand, ayy (Everybody shake a hand now)
(Ayy, oh) Shake, shake a hand
Shake, shake a hand (Yeah)
(Ayy, oh) Shake a hand
Everybody shake a hand now (Ayy)

Gather 'round, we tryna take a family photo
Cheers to another year, but we toastin' while havin' cocoa
'Bout to have a snowball fight, so grab your gloves and put your coat on
Havin' family time, so if the phone rings, we act like it's unknown
(Brrt) Huh, and we don't answer it (Nah)
If you made some other plans, well, you should cancel it (You should cancel)
'Cause we lose track of time when the family's around (Yeah)
Two lines, face each other, we gon' dance and (So change)

If you just worried about gettin' things that you put up on your wish list
Allow me to introduce you to the true meaning of Christmas
God saw humanity would need redemption (Facts)
So He sent His Only Begotten Son on a mission (Yeah)
Mary and Joseph was chosen to raise Him up (Right)
Jesus lived thirty-three years of His life, then He gave it up (Yeah)
Wit' a sacrifice, He paid the price to wipe the stain from ya
That's just the appetizer 'cause He came back to life, my God amazing, huh (Shee!)

Hehe, so amazing (We'll be together to make this Christmas nice)
Everybody shake a hand now
We'll be together to make this Christmas nice (Hey, hey, oh-woah)
We'll be together to make this Christmas nice (Family, yeah, we will)
We'll be together to make this Christmas nice (Uh, yeah, yeah)
We'll be together to make this Christmas nice (Yes we will, yeah)
