

# Tinder

Caleb Gordon

I guess it really don't make no sense  
I'ma make it make sense then  
Okay  
Look

Please don't ask me what my sign is (Baby, I don't believe that)  
Had to put my life in alignment, okay  
Like a textbook, I'm on my assignment  
This my decision and I'm standing behind it!  
Oh no  
He don't made up his mind! (Oh, Lawd!)  
All these distractions wastin' my time  
You tell me what I'm 'posed to do  
When I ain't on my grind?!  
Oh, you bad and boujee?  
Tryna seduce me with beautiful lies  
Well, maybe I shouldn't be scrollin'? Mm!  
Or maybe she shouldn't be showin'  
Ha' goodie bag?  
How you turned around  
But you lookin' back?!  
Would you look at that!  
I mean, it is kinda- (See, that don't even make sense-)  
Ah  
Um, hold on  
Let me get off the app

How I get myself in this predicament?  
Spirit talkin' 'bout I am not listenin'  
And I know what it's leadin' me to  
But it's hard to resist when you stuck in the moment  
Can't lie I was feelin' lonely  
I downloaded Tinder (I did!)  
Swipin' right if I see what I like  
Maybe we could be friends for the night  
(You know that ain't what you mean, that ain't what you tryna do)  
I'm like, "How did I get here?!"  
Lord, forgive me  
I been trippin'  
Well, you know  
You said, "It's not good for man to be alone"  
Got a couple things to work out in my soul (We gotta figure it out)

Lord, help me stay focused  
I been runnin' it like Joseph  
I've been movin' in slow motion  
Enemy's tryna catch me wide open  
Close the door, can't keep it open  
Tryna be perfect but I can't hold it  
Tried to row the boat in the ocean  
Please (Yuh, aye)

Please don't ask me what my sign is  
Had to put my life in alignment, okay  
Like a textbook, I'm on my assignment  
This my decision and I'm standing behind it!  
Oh no

He don' made up his mind! (Oh, Lawd!)  
All these distractions wastin' my time  
I know exactly what I'm 'posed to do  
Stay up on my grind!  
And I don't care  
If you tryna seduce me with beautiful lies  
Baby I won't be scrollin' (Hm)  
And I don't care if you showin'  
Yo' goodie bag!  
How you turned around  
But you lookin' back?! (See, it don't even make sense-)  
I mean, it is kinda- (Look, look, look away)  
Hold on, let me get off the app

You told me to cut it off  
Cut it off  
If it's not like you (Like you, like you, like you, like you)  
You told me to cut it off (Yeah)  
Cut it off  
If it's not like you (Like you, like you, like you, like you)  
You told me to  
Cut it off, cut it off, cut it off, cut it off  
Cut it off, cut it off, cut it off, cut it off (Yeah, cut it)  
A-hem, alright time out, time out, time out, time out (Bars)  
Time out, time out, time out

Um, I'm strong in the Lord (Okay!)  
I'm strong in the Lord (Okay!)  
Temptation keep comin' (That's true)  
So I stay with the source (Okay!)  
But the blessings keep fallin'  
From the top to the floor  
I got Christ in my core (Yuh!)  
I shine light through my pores (Okay!)  
Can't go back no more (Okay!)  
Can't go back no more (Okay!)  
'Tis the Word of the Lord  
Let me tell ya'll the truth  
Because I feel like  
Ah  
Just listen

Yeah, yeahhh  
Can't lie I was lonely  
I mean who isn't these days?  
This is the first time it's just me and God  
No mo' chasin' women, gotta cut it off  
Teacher told me not to run with the scissors  
I didn't listen  
End up trippin' and fall in the kitty litter  
Cut my heart into Reese's Pieces  
Ended up callin' on Jesus  
He told me as long as I stay on the road  
He'll show me the one that's equally yoked  
She'll be right there, don't swerve off  
If she wishy-washy, don't get involved  
Had to write it down, my standards  
How I don't gotta keep searching for Mrs. Right  
Being ready for the day we meet  
I'm workin' on me  
Doin' my J-O-B  
And just like Adam and Eve  
God gon' have to put me to sleep

And she'll be right there, right in front of me  
Not just who I want  
But who I need

A-hem, A-hem (One, two, three)  
You're cute  
But not cute enough  
For my salvation  
I ain't going on Tinder no mo'
