

# We Three Kings

Caleb Gordon

We three kings of orient are  
Bearing gifts we traverse afar  
Field and fountain  
Moor and mountain  
Following yonder star  
Ayy, 2000 E-S-T  
Yeah, O-C-O-E-E

Know that you gon' live and die from me  
That's why I give everything, 'cause you the one who gon' ride for me  
Soon as you call me, know I'm comin'  
But we gon' see better days  
I know my time comin'  
Looked for so long, I ain't find nothin' (I couldn't)  
Til' I found you, and your truth got my heart jumpin'  
I won't run away, no I got something (No)  
The love won't fade, it's Your way that I'm runnin'

Lost and confused, ain't know what to do  
But I let you lead the way  
Lost and confused, ain't know what to do  
But I know we gon' be okay  
Don't care if I'm wrong or right  
I'll follow Your light  
Don't matter if You stay all night  
I'll follow your light  
I'm gon' let you lead the way  
I'ma make it to you  
No, I would never stray  
I'ma make it to you

I don't see myself goin' back  
E'rybody ain't believe  
I knew the whole time, You was comin' back (I did)  
It was written in the stars, I just had to trust that (Stars)  
You will never tell a lie, I wanna be where you at  
So where you

Lost and confused, didn't know what to do  
Til' I let you lead the way (You lead the way)  
Lost and confused, didn't know what to do  
But I know we're gon' be okay (Know we're gon' be okay)  
Oh, don't care if I'm wrong or right  
I'll follow Your light  
Don't matter if You stay all night  
I'll follow your light  
I'm gon' let you lead the way  
I'ma make it to you  
No, I would never stray  
I'ma make it to you

No, I don't see myself goin' back  
No, I don't see myself goin' back  
I'm gon' let you lead the way (I ain't never goin' back)  
I'm gon' let you lead the way  
No, I don't see myself goin' back  
No, I don't see myself goin' back

I'm gon' let you lead the way (I ain't never goin' back)  
I'm gon' let you lead the way (Nah, I ain't never goin' back)

Oh, don't care if I'm wrong or right  
I'll follow Your light  
Don't matter if You stay all night  
I'll follow your light  
I'm gon' let you lead the way  
I'ma make it to you  
No, I would never stray  
I'ma make it to you
