

You Can't Cancel Me

Caleb Gordon

You can't cancel me, my God gon' stand for me, ha-ha
You can't cancel me, my God gon' stand for me, ha-ha
Do my dancey-dance 'cause He got plans for me, ha-ha
Do my dancey-dance 'cause He got plans for me, ha-ha

Yeah, yeah, huh, watch how I pop out the truth, huh
They tryna stop at mine, I block all the lies and I walk in the
room

Know You had Your hand on me right when I popped out the womb
Ha, they tellin' me it's another way, but I know it's only You

Like I'm in my Father house, I do what the Father say, ha-ha
Sin inside my bones, keep tryna separate, ha-ha
They keep throwin' them stones, I bet it won't penetrate, ha-ha
I don't wanna follow my heart, I just wanna follow Your way, ha-ha

You can't cancel me, my God gon' stand for me, ha-ha
You can't cancel me, my God gon' stand for me, ha-ha
Do my dancey-dance 'cause He got plans for me, ha-ha
Do my dancey-dance 'cause He got plans for me, ha-ha (What?)

Yeah, yeah, huh, watch how I pop out the way
They tryna stop at mine, I get the Spirit to fill up the stage
Know You had Your eyes on me, I was tryin' to hide away
Saved me from myself, superhero, don't need no cape

Like I'm in my Father house, I do what the Father say, ha-ha
Sin inside my bones, keep tryna separate, ha-ha
They keep throwin' them stones, I bet it won't penetrate, ha-ha
I don't wanna follow my heart, I just wanna follow Your way, ha-ha

You can't cancel me, my God gon' stand for me, ha-ha
You can't cancel me, my God gon' stand for me, ha-ha
Do my dancey-dance 'cause He got plans for me, ha-ha
Do my dancey-dance 'cause He got plans for me, ha-ha

Huh, watch how I pop out the huh
Huh, watch how I pop out the huh
Huh, watch how I pop out the huh
Huh, watch how I pop out the huh
