

# Distracted

Caleb Hearn

You got me distracted  
Placing bets on me seeing my reaction  
Trying to stay on track chasing my passion  
But you got me distracted

You got me distracted, oh oh  
Placing bets on me seeing my reaction  
Trying to stay on track chasing my passion  
But you got me distracted, oh oh oh  
You got me distracted

Started from retraction  
It's a satisfaction  
Music on the back end  
I can't see the future losing sight, I'm losing traction  
Broken promises, they never keep, they never happen  
You got me distracted

Placing bets on me seeing my reaction  
Trying to stay on track chasing my passion  
But you got me distracted

You got me distracted, oh oh  
Placing bets on me seeing my reaction  
Trying to stay on track chasing my passion  
But you got me distracted, oh oh oh

First mistake was letting you go steal away my shine  
Second one was when you went and took all of my time  
Third was when I realized all I needed was a platform  
You was just a helping hand and you was just a backboard  
You was just my number two (my number two)  
And now I'm done with you (I'm done with you)  
Threw away all my mistakes  
And now I'm bulletproof (now I'm bulletproof)  
I think I've had enough (had enough)  
And so did you (so did you)  
I'll pack my bags, I'm on my way  
Watch out I'm moving too

But you know I'm alright (I'm alright)  
I'm alright now  
You can throw the towel in but I'm gonna fight now  
I've got all my rivals to my side (to my side)  
Where my ride or dies?  
You may think my hands are tied  
But I still pull one in the sky

You got me distracted, oh oh  
Placing bets on me seeing my reaction  
Trying to stay on track chasing my passion  
But you got me distracted, oh oh oh
